About The ADAMHS Board

The Alcohol, Drug Addiction & Mental Health Services Board of Tuscarawas and Carroll Counties is a government agency established by Ohio statute for the purpose of planning, funding, monitoring and evaluating contracted mental health, alcohol, and drug treatment services to residents of Tuscarawas and Carroll Counties. The ADAMHS Board provides significant funding to local mental health and substance abuse treatment agencies such as [Community Mental Healthcare](#), [Personal and Family Counseling Services](#), [Harbor House](#), and [The Alcohol and Addiction Program](#).

The Board is committed to providing cooperative leadership in fostering a quality, community based and comprehensive mental health, alcohol and drug services delivery system for residents of the two county district most in need of those services. That commitment also includes an assurance that services funded by the Board will be provided in the least restrictive manner and will be cost effective and publicly accountable with regard to quality and finance.

All proceeds of the First Annual ADAMHS Board Benefit Golf Outing will go toward outreach, education, advocacy, and levy efforts on behalf of the children, families, and adults of Tuscarawas and Carroll Counties affected by and suffering from mental illness or addiction.
